c. Budget - FY-54 and FY-55 - (continued item)

Conducted meeting with Supply and Comptroller personnel to discuss method of computation of object classes 08 and 09 and the FY-54 and FY-55 budgets. From all indications it appears that a more realistic projection of monetary requirements in these two classes could be derived. It is anticipated that approx-

[redacted]
is understood that FY-54 budgets already computed will be presented and this reduction factor taken into consideration by the Chief, IO.
